Aon Clear Extra: General exclusions

We will not cover:

- Cosmetic treatment – dental treatment which is purely to improve appearance and is not required to restore your oral health.
- Treatment carried out before your cover under this policy starts or after your cover ends.
- Missed appointment fees.
- Adult orthodontics treatment charges where graded 1-3 on the IOTN scale.
- Child orthodontics treatment charges for children insured on the policy who are aged over 25.
- Implants or Bridges which are fitted to a gap in the mouth which existed prior to joining the plan unless previously covered for dental treatment under another insurance policy immediately before joining this policy.
- Mouth cancer which was identified prior to joining the plan.
